Public Relations

Bus Shelter public service announcement at transit shelters- contacted Clear Channel, have a list (included in minutes) of 15 shelters available for Feb 2022. Cost is $500.00/4 week/unit. Can also consider combinations of time, ie: 1 unit for 4 months or other combos. Currently we have $2000.00.

RCM

There was no regional meeting this month so no report but a new group successfully got a document proving insurance by contacting the Regional Chair – Matt O (484)320-0011.

Secretary

Please be patient with me. I know a lot of people did not receive the minutes in 2021 and I am trying to compose an updated list of everyone who should be receiving them. If you had to ask for January minutes please, please make sure you fill out the form at the February ASC meeting and I will correct it.

Art K

Hello again Art,

Nice talking with you this afternoon. Here is a list of 15 transit shelters with February availability in the areas of DelCo we discussed (photo sheets attached). If you plan for $500 per 4-wk per unit, we'll be able to overdeliver on top of that as we build the campaign parameters within our charting program. This can be done either as one unit for four months, or four units for four weeks each, or any combination that meets your allocated budget for this project.
