Area Meeting 11/16/22

I personally would like to thank everyone who came out to DCACNA #7 2022. We had 86 paid registrations at the start of the weekend and planned for 300, maybe 350. We estimate we had over 600 people attend the Convention. Put it this way, we brought 600 wristbands and we got rid of everyone of them. With under $10,000 in our account 10 months ago, we were told there was not enough time or money for a convention in 2022. So we rolled up our sleeves, ask for some help, and delco came through. With the majority of the Committee brand new including myself this wonderful group of peopl in this committee kick ass all year planning an convention, raising money, and attending 2 meetings a month for 9 months even during the summer months while at family outing [redacted] and on vacations. Delaware County NA could not have had a more dedicated group of members to pull this off. Not only did we spend all weekend putting out fire that came up or overlooked, we spend the last two weeks doing this.
