Article I - Purpose

The primary purpose of the Delaware County Area Service Committee of Narcotics Anonymous is to conduct the business of the Delco Area, thereby, carrying the message to the addict who still suffers.

Article II - Mission Statement

The Area is the link between the groups and the Greater Philadelphia Region of Narcotics Anonymous. The meetings are always guided by the Twelve Traditions and Twelve Concepts of NA. The meetings are held on the third Wednesday of each month, and are scheduled to start at 7:00 P.M.

Article III - Duties of a Group Service Representative (GSR)

A Group Service representative (GSR) is the first line of communication between the group and NA as a whole. It is the responsibility of the GSR to keep the group informed and to express the group conscience in all matters. Active participation and representation, more than any other thing, can strengthen the ties that bind us together and promote our common welfare.

As a result of their participation, they keep their groups informed about what is happening in NA. Members of the group should be able to go to their GSRs and find out about activities, other groups, how the NA service structure works, the Twelve Traditions and Twelve Concepts of Service of NA, and how they can become involved.

It is also suggested that GSRs share some of the responsibilities with their alternates. First of all, it helps to provide a continuity of service, therefore never leaving a group unrepresented. Secondly, the year spent as an alternate provides the training to become an effective GSR.

Article IV- Procedure for Making a Motion

*****All motions must be submitted in writing on an ASC Motion Form*****

Submit to the Secretary and be sure to include the intent of the motion, which describes in simple terms the exact nature of the motion.

4. After the motion has been read and seconded by a GSR, the Area Chair will ask if anyone is unclear about the motion as it has been read and the writer of the motion will then clarify.

6. The motion is called. Only two pros and two cons may be heard, with the total discussion lasting no longer than five minutes. A vote is taken and the choice that received the greatest number of vote's wins, or the motion goes back to the groups if that is the intent.

Exhibit B - Twelve Traditions of Narcotics Anonymous

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose, there is but one ultimate authority, a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose – to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance or lend the NA name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every NA group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. NA, as such, ought never to be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never to be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

Exhibit C - Twelve Concepts of Service

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.
2. The final responsibility and authority for NA services rests with the NA groups.

3. The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making process.
10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose, and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.
