Delco RCM Report
June 19th, 2024

Mark R (215)760-8999

Philadelphia Region was held Sunday June 2

New Style and Format for Region- All Reports submitted electronically before region. Less time on reports; more time on business at hand. Seemed to work well. Maybe something to be done at Area Service? There are currently two area using the new service. Anyone who wants to check it out:

https://naworks.org/areas/pure-simple-area/sample-area-group-report/

INSURANCE

One big issue was that our current Insurance carrier dropped the Region. As of the end of region they were not sure what was happening. In a conversation with the ABC Chair today, some new news:

Philadelphia Insurance company(one of the only big carriers that would deal with us) came back with their premium- $23,000+.10K more than our current price. We are now deemed High Risk.

So, we went with the back up plan that we talked about at Region, and you gave your approval. The insurer's name is Insurevents.
Premium is $6,418/yr.(includes broker fee). Plus we had to deposit money in an escrow acct for the costs of each COI we issue($25), that was another $1,000, and we will likely need to put in another $1,000 later if we go over 40 COI's in the year. Cheap, right? Here's the catch - no events outside of mtgs and service mtgs are covered. All marathons, picnics, etc, etc, will need extra riders, and they start at $250-300 each... so this is a shift in how they get their money.

It will be my suggestion that we still budget the $13,000. And use the additional $6500 to cover any events and COI. It will be Areas responsibility to contact region to let them know of upcoming events (not held where regularly scheduled meeting take place)

If your facility requests a Certificate of Insurance (COI), or Delco is having an event; please send an email :

ttovercomer@verizon.net

with the following information:

- - Name of Group
- - Name of Facility
- - Address of the Facility
- - Meeting Day(s) and Time(s) or Event Date/Time

NA Events

Bruce R. continues to add NA events to the website and events calendar. Please continue to communicate all NA events by emailing related details to us at events@naworks.org. If you have a flier, please include it as an image or a PDF.

Electronic Literature Orders Project

We are working to create solutions for Areas that are interested in processing literature orders electronically. We are in the process of forming a task group that will be facilitating pilots in multiple Areas. More information is at: https://lit.naworks.org.

New Area

Lynne V. attended today's meeting representing the Primary Purpose Area, which would like to join the Greater Philadelphia Region. The Primary Purpose Area meets on the 2 nd Saturday of the month from 12:00 – 2:00 pm. It is currently composed of 4 home groups (one came from the Bucks County Area and 3 came from the Philadelphia Area) and has no geographic boundaries. They are willing to recruit volunteers for subcommittees until they establish their own Area subcommittees. They are planning to host marathons around Thanksgiving, Christmas, and New Year's. Other Areas can join them for those events.

The consensus of the RCMs was to welcome the Primary Purpose Area to the Greater Philadelphia Region. We now have 14 Areas.

CAR Motion

PROPOSAL (Primary Purpose): That the NAWS News virtual subscription-based publication Include in each edition a column dedicated to information about NAWS archives – its contents; how people can donate their personal collections; why we donate our collections; how long it has been inexistence; its contents; why it exists, etc. Purpose/Intent: To raise the consciousness and interest of the Fellowship in the archives and our history.

Note: This proposal will have to go out to the home groups to be voted on and then brought back for Regional approval before being submitted for the CAR.
