INSURANCE

The Region is are coming up on our Regional Insurance renewal at the end of June 2025. We should have the quote by June's RSC meeting. When we get the new quote, we will be recalculating the amounts the areas are asked to contribute in the next year.

Special events are considered anything outside the normal meeting space/time. Anniversary meetings would **not** be considered special events.

The region asked each area to budget/pay $35 per meeting in 2024. We showed (on mtg. list) 54 in person meetings; which would put Delco's portion of the overall insurance at $1890. Delco made the final payment last month (April 2025) to cover the insurance costs for the previous policy.
